

LAFAYETTE HIGH SCHOOL ATHLETIC DEPARTMENT
ATHLETIC PARENT AND ATHLETE SURVEY
FALL 2009-2010

SPORT:

COACH:

Parent _____ Athlete _____

Varsity _____ JV _____

This is a request for feedback from parents and athletes on the sports season that just ended. Enclosed are two surveys, one for the parent and the athlete to be sent to the coach and a second survey which is optional for the parent to send to the athletic director. The first survey should be sent to the coach and should **not** be signed. If you plan to send a survey to the athletic director and I hope that you will, you **must** sign your name. Any survey sent to the athletic director that is not signed will not be read. All information sent back to the athletic director, whether agreed upon or not, will be discussed with the coach during their evaluation. Please rest assured that I will never let anyone other than myself and our principal, Mrs. Swinton, see a signed evaluation form. That is my promise to you. Also, I will never give any indication to the coach about who sent in the survey form or where I got my information on a certain topic. Please make sure that you check the correct parent or athlete line above and the correct team, varsity or junior varsity. Thank you for your assistance and support. This evaluation form must be returned to me by Thursday, December 9th so I can use it as part of my end of season evaluation of the coach.

Thanks,
Dan Barner - Athletic Director

Please circle the response below that indicates whether or not you feel the program listed above met the expectations as outlined in the Lafayette athletic rules and regulations document.

During the season, the coach generally....

1. Displayed a good work ethic.

YES
